Student Life

Academic Advising

The Student Services Center is the centralized advising office serving Day, Evening, and Online Division students. The academic advising program is designed to ensure accurate information regarding degree requirements and graduation, to promote positive and productive faculty and student relationships, and to aid in student retention. Advisors discuss the students' academic progress as well as any other concerns or questions about achieving goals and success at The College of Westchester. Academic advisors can also assist students in appropriate referrals to other departments, including The Counseling Center, the Office of Student Financial Services, Career Services, The Learning Center and The Testing Center. While each student is assigned an academic advisor upon enrollment, students are free to consult with any available advisor as the professional advising staff is proficient in advising across all majors.

Alumni Association

Maintaining close ties with our alumni is an important goal of our college. We encourage graduates to remain active by gathering with fellow graduates for recreational outings, serving on an alumni steering committee, speaking to The College of Westchester classes, becoming involved in our internships program, and attending alumni meetings. Lifetime placement is also available to alumni, and many of our alumni take advantage of this service.

Bookstore

Textbooks and various stationery items may be purchased from the Bookstore during scheduled hours of operation. The Online Bookstore is available for students to order textbooks for Online Division programs through the student portal.

CW Everywhere Mobile App

The "CW Everywhere" mobile phone application provides access to a variety of essential information and applications. This includes web pages for each student service area, providing office hours, contact information, shared files, and other resources. A suite of custom tools is delivered via the app, providing access to student account information, course information and grades, class schedules, and more. The app also serves as a means of receiving weather-related alerts and emergency notifications, as well as other custom messaging.

Career Services

The College of Westchester's Office of Career Services staff carefully guides students through the entire process of planning and preparing for their actual job search. Students are coached in the following areas: proper completion of employment applications, resumes, letters of application, securing job interviews, researching companies, conducting interviews, job interview follow-up, grooming, business attire, and business etiquette. Should a graduate seek full-time transfer to another college, they will be assisted in the process. The Office of Career Services works closely with area colleges, businesses and industries in the New York, Connecticut and New Jersey metropolitan areas to ascertain employment requirements and the availability of specific positions, as well as transferability of college credits. While the Career Services staff assists both students and graduates, this does not preclude the students' own responsibilities. All students and graduates seeking career services assistance must be in good financial standing with The College. All graduates are entitled to lifetime assistance. The College reserves the right to withdraw placement assistance, at any time, for cause. The Career Services Department also hosts Career Fairs, Internship Fairs, Portfolio Review Day, Career Cafés, and Part-time Job Fairs.

Student Life Mission Statement

Student life is the combination of clubs and leadership experiences our students have outside of the classroom that make us a vibrant, thriving community. Our student life initiatives provide opportunities for learning, leadership development, civic engagement, and community building.

Clubs

The College of Westchester offers a wide variety of extracurricular clubs and student organizations which provide students the opportunity to become more actively engaged in campus life as well as develop leadership and collaborative skills. Individual clubs are detailed in the Student Handbook.

Student Life Policies & Guidelines

The Student Life Manual outlines policies and guidelines related to CW-sponsored clubs, leadership and other student activities.

Read the manual here: <https://success.cw.edu/docs/pdf/2022/Student-Life-Manual-2022.pdf>

Student Activities

Recognizing the need for the social, cultural, and academic development of the individual, The College of Westchester offers a wide range of activities to meet the needs and interests of the entire student body. Please see the Student Services Office for more information.

Student Government Association

The Student Government Association (SGA) exists to support and stimulate the academic, cultural, social, and physical welfare of all students at The College of Westchester. In addition, it serves to provide students with a voice in CW's participatory shared governance system, develop leadership skills and promote the exchange of ideas and viewpoints among faculty members, administration and students. Any student enrolled in classes at CW may become a member of the Student Government Association. It gives students the opportunity to exercise leadership, express opinions, and work together toward the achievement of common goals.

National Association of Black Accountants (NABA)

Student members of NABA are part of a network that provides opportunities for growth and success in the global business marketplace. NABA's members share and promote a professional ethos – "Lifting as we Climb!" Student members must maintain a minimum cumulative grade point average of 3.50.

The Counseling Center

The Counseling Center at The College of Westchester provides free individual counseling services to all students experiencing both personal and academic issues. Students have the ability to attend once a week counseling sessions or come on a "walk-in" basis when concerns arise. Topics discussed may include but are not limited to: academic concerns, anxiety, depression, relationships, parenting, acculturation, and stress. The Counseling Center's mission is to assist students in developing their full potential within both The College of Westchester and their personal lives alike. The Center is operated by a mental health professional and backed by various college and community resources to encourage a safe and confidential environment where students can come and explore their needs and concerns. The Counseling Center may provide external referrals as needed.

Students also have 24/7 access to ULifeline, an online resource for mental health support:

ulifeline.org/cw/get_help_now.

Students with Disabilities

Upon students' self-identification and request for accommodations, The College provides students with disabilities with the support services and other reasonable accommodations and adheres to the provisions of the Americans with Disabilities Act (ADA). The student has an obligation to self-identify that the student has a disability and needs an accommodation, and all accommodations are made on a case-by-case basis. The student must submit documentation which has been completed by a physician, psychologist, or learning disabilities specialist to establish the existence of the disability and the need for specific accommodations. The student is required to meet with the Director of Academic Advising to review the accommodation plan. To ensure that all online content created by The College of Westchester is broadly accessible to its students with varied learning characteristics, instructional design and online production staff will create course content that conforms to Web Content Accessibility Guidelines Level A, as published by The World Wide Web Consortium's Web Accessibility Initiative (W3C-WAI). Likewise, all content will conform to Section 508 standards on intranet and internet information and applications, as published by the U.S. General Services Administration (GSA). The College of Westchester will continue to monitor emerging standards for accessibility to ensure its materials conform to emerging expectations and provide the best possible level of access for students and faculty.

Students are expected to maintain high standards with regard to honesty in the submission of all written work and exams. The use of an outside source in any paper, report or submission for academic credit without the appropriate acknowledgement is plagiarism. It is unethical to present as one's own work, the ideas, words or representations of another without the proper indication of the source.

A student who falsifies or copies an assignment, term paper or examination answers will be subject to receiving an "F" for the assignment or subject to failing in the course involved and the student may be dismissed from The College. Students are not permitted to use any technological devices such as cell phone, iPads, Blackberries or other devices while taking examinations. The next forty-five (45) calendar days following the Add/Drop period are designated as the Withdrawal period during which time a Day student may request to withdraw with a grade of "WD" (withdrawal, no credit). After this period, a withdrawal will result in an "UF" grade for the course.

A student may not register for a course after the end of the Add/Drop period. The next twenty-five (25) calendar days following the Add/Drop period are designated as the Withdrawal period during which time an Evening College student may request to withdraw with a grade of "WD" (withdrawal, no credit). After this period, a withdrawal will result in an "UF" grade for the course.

For Online courses, the first fourteen (14) calendar days of the term are designated as Drop only. If the last day of the Drop period falls on a holiday, the Drop period will be extended to the next day. The next twenty-five (25) calendar days following the Drop period are designated as the Withdrawal period during which time a student may request to withdraw with a grade of "WD" (withdrawal, no credit). After this period, a withdrawal will result in an "UF" grade for the course. Please refer to the catalog or its addendum for refund and withdrawal policies that may affect financial responsibility.

Administrative Withdrawal (Stopped Attending)

If a student has not attended classes or completed an academically-related activity online for a 14 day period and the student has had no contact with The College regarding reasons for non-attendance, the student will be administratively withdrawn. The withdrawal date is determined from The College's attendance records, and the last date of attendance will determine the calculation for the return of Title IV funds, whether the student withdraws officially or unofficially.

Change of Major Policy

Students may change their major at any time during their enrollment at the College. All attempted credits and grades from the prior academic program will continue to be calculated into Standards of Academic Progress. Academic Standing

The College of Westchester expects matriculated students to maintain satisfactory academic standing to continue to be enrolled at The College. Students who do not maintain a minimum of a 2.0 cumulative grade point average will have academic sanctions imposed. No student will be graduated with a cumulative grade point average (CGPA) below 2.0. Satisfactory academic progress is measured by a qualitative standard; students must maintain a minimum cumulative grade point average (CGPA) at the end of each semester or term the student has completed as noted in the chart in order to continue matriculation. Satisfactory academic progress to maintain eligibility for federal and state financial aid includes both a qualitative and quantitative standard. Please refer to the Student Financial Services section of the catalog for further information.

Standards of Academic Progress (SAP)

Academic progress is evaluated qualitatively (CGPA) at the end of every fifteen week semester for Day students, and at the end of Fall II, Spring II and Summer terms for Evening Division and Online Division students. If a student does not meet the minimum cumulative grade point average as outlined in the chart below, the student may be academically suspended. Additionally, if a student meets the minimum cumulative grade point average for Standards of Academic Progress, but is below a 2.0, the student will be placed on Academic Probation. If a student does not meet the minimum requirements of the chart below, the student may be suspended from The College. Students who withdraw from the College within the Withdrawal Period (as defined under Add/Drop and Course Withdrawals) of their first semester, with all WD grades, for qualitative purposes, will not be evaluated for SAP. For financial aid regulatory purposes, WD grades will be evaluated for both qualitative and pace (quantitative) components to maintain Federal Title IV and State aid eligibility.

Academic Probation

A student whose cumulative grade point average falls below 2.0 is placed on Academic Probation as an academic warning that the student must raise his/her grades to a satisfactory level. Various academic sanctions may be applied including limiting the credits the student is registered for in the subsequent term, repeating courses that the student failed, required meetings with academic advisors, and required tutoring. 2+2 internal and external transfer students will be allowed a one-time probationary status should they fall below a 2.0 cumulative grade point average (GPA) but not below a minimum GPA of 1.8.

If a student's cumulative grade point average falls below the minimum GPA required to meet Standards of Academic Progress as detailed in the chart above, the student may be Academically Suspended without first being placed on Academic Probation. If the student is placed on a second Academic Probation, it is considered final probation. If the student fails to meet minimum 2.0 GPA for a third time, the student will be Academically Suspended. (see section on Student Financial Services for financial aid sanctions).

Academic Suspension

Academic Suspension is a separation from The College imposed when a student has failed to meet the minimum cumulative grade point average required for satisfactory academic standing. Suspended students may be considered for reinstatement after 12 consecutive months and will be placed on Academic Probation upon their return. The student must also consult with the Office of Student Financial Services to determine his/her eligibility for financial aid.

If a student wishes to be reinstated before a full year, the student may appeal for an academic waiver to the Academic Progress and Student Life Committee providing documentation of extenuating circumstances, e.g. circumstances outside of the student's control such as death in the family, serious illness or injury or other circumstances (see section on Appeal for Academic Waiver). If a student is granted an Academic Waiver, the student may return on Academic Probation but must consult with Student Financial Services regarding financial aid eligibility.

Academic Dismissal

Academic Dismissal is a permanent separation from The College imposed when a student has been Academically Suspended once and has been reinstated, but fails to meet the required minimum

cumulative grade point average again. There is no appeal available for a student who has been Academically Dismissed. A student may also be dismissed for conduct.

Appeal for Academic Waiver

Students who have been Academically Suspended from The College for failing to make satisfactory academic progress may appeal for an academic waiver. The student should write a letter of appeal to the Academic Progress and Student Life Committee. The following criteria must be met in order to qualify for an academic waiver of academic standards:

- The student must show, with adequate written documentation, that there were mitigating circumstances (i.e. health problems, death in the family, etc.) that contributed to his or her failing to make academic progress.
- The student must also show, with adequate documentation, that these circumstances will no longer interfere with his or her pursuit of academic progress. In the event that the extraordinary circumstances do not involve documentation from a doctor, hospital, police department, etc., notarized letters from objective third parties will be required. Employment, childcare or transportation issues are not considered to be appropriate basis for appeal.
- The student can be granted only one academic waiver during his/her attendance at The College of Westchester.
- Academic waivers can be granted only if the student has the ability to be in good academic standing after the subsequent semester/term.
- The granting of an academic waiver is not an automatic process. It will be up to the Academic Progress and Student Life Committee to properly review the documentation submitted in order to make a decision.
- Once a decision has been made, the student will be informed in writing. A copy of the decision will be put in the student's academic file and the student's financial aid file.
- Should you have any questions regarding this procedure, please contact the Registrar, whose office is located in the Student Services office.

Students should refer to the section on Finances and Financial Assistance for Satisfactory Progress for Financial Aid Eligibility and the Financial Aid appeal process which is separate from the academic appeal process.

Academic Appeal of Assigned Grade

Academic decisions rest solely within the discretion of The College. Students who believe that an error has been made in an academic determination, including grading decisions, should discuss with the instructor or appropriate administrator the basis upon which the academic decision was made. If, after this review of the student's performance, the student disagrees with the determination, the student should make a written appeal within ten days of the determination to the department chairperson stating the basis upon which the determination is questioned and requesting a departmental review. If, following the review by the department chairperson, the student is not satisfied with the departmental decision, final appeal may be made in writing to the Provost and Vice President of Academic Affairs. The decision of the Provost and Vice President of Academic Affairs will be final.

Alert Lists

Students enrolled in the Day College who are at risk due to poor academic performance and/or absenteeism are reported to the Student Services office by their faculty for inclusion on the Early Alert, Midterm Alert, and End of Semester Alert lists. Students enrolled in the Evening or Online College who are at risk due to poor academic performance and/or absenteeism are reported to the Student Services office by their faculty for inclusion on the Midterm Alert list. All students who are identified as at risk meet with an advisor in the Student Services office to determine strategies for becoming successful. Recommended strategies include regular meetings with their Academic Advisor, Success Coach and/or

regular meetings with a tutor.

Attendance

All credit-bearing courses offered at The College of Westchester are designed to fully comply with both New York State and Federal definitions of a credit hour. These definitions require that for each three-credit college-level course, students complete a minimum of 37.5 clock hours of instruction and 75 hours of independent homework for a total of 112.5 hours of learning. CW builds its course schedule to ensure or exceed compliance with this requirement. For on-ground courses, 3 hours of instructional time are scheduled each week over the course of a 15-week semester along with approximately 75 hours of additional homework assignments that may include assigned readings, writing assignments, research projects, interactive discussion forums and video viewing assignments. Hybrid and fully online courses contain identical learning objectives to those taught in the traditional classroom setting. For an 8-week hybrid course carrying 3-credits, courses are scheduled for a minimum of 5.25 hours of instructional time per week (3.25 hrs in class and 90-120 min online) in addition to 10.5 hours of assigned homework. For a fully online course, this works out to 5 hours of online instructional time and additional homework assignments. Students are expected to be in regular attendance, be active participants in class and online, and complete all homework assignments.

Each day semester, evening and online term schedule is carefully constructed by the College Registrar to ensure the minimum number of instructional weeks, class meeting sessions, and class meeting hours necessary to meet or exceed the instructional time described above. Every course syllabus, including learning outcomes, instructional content, and instructional resources is reviewed and approved by the College-wide Committee on Curriculum and Academic Policy. The College attendance policy, provided to students through the College Catalog, Student Handbook and every course syllabus instructs students about the expectation and importance of class attendance and participation.

CW is officially an “attendance taking institution” and therefore, students enrolled in on-ground courses must have physical attendance in the classroom in order to maintain enrollment. Attendance in online courses is determined by a student’s activity in a list of academically related activities completed within Moodle, the learning management system, including but not limited to, submitting an academic assignment, taking an exam, interactive tutorial or computer-assisted instruction, and participating in online discussion forums.

On occasion, The College of Westchester may need to close the building due to inclement weather. In these cases, classes are never canceled but rather held remotely via Learning Management System, Moodle.

Student attendance is recorded and reported daily and periodic audits are conducted to ensure that course syllabi, learning outcomes, class meeting hours, online learning activities, and assigned projects and homework comply with the above.

Online Course Attendance

Attendance in online courses is determined by a predetermined list of academically related activities completed within Moodle, including but not limited to, submitting an academic assignment, taking an exam, interactive tutorial or computer-assisted instruction, and participating in online discussion forums. Attendance in online courses is recorded automatically through Moodle activity.

Student Attendance Exceptions

Sometimes student absences are unavoidable and are a result of a severe hardship. A student may request that a faculty member waive select absences when calculating his/her grade in light of these hardships. Such a request should be made by the student, with documentation to support the request, when appropriate. Examples of possible excused absences are:

- Hospitalization and/or miscellaneous medical circumstances

- Court appearances and/or miscellaneous legal obligations
- Death in the family/Bereavement
- Employment related obligations
- Natural or man-made disasters
- Jury Duty
- Military duty

It is at the discretion of the faculty to determine which, if any, absences will be considered as “excused” and how that will affect the student’s final grade.

Class Standing Determination

In order to advance to the next grade level, students must earn a certain number of credits:

Class Standing	Credits
Freshman	0 through 24
Sophomore	25 through 60
Junior	61 through 90
Senior	91 or more

For example, at the end of your first two semesters (day division) or first four terms (Evening division), you do not become a sophomore unless you have earned at least 24 credits (including transfer credits). Please refer to the Financial Assistance section for aid impact to grade level.

Full-Time Status

A minimum of twelve academic credits each semester is required for full-time status in all Divisions.

Less than Full-Time Status

- 3/4 time 9 credits
- 1/2 time 6 credits
- <1/2 time Less than 6 credits

***Students who receive a grade of "U or Z" must repeat the course. Grade reports are distributed upon the conclusion of each session.*

****"UF" grades are assigned to those students who fail to attend class or engage in online academic activity during the final four (4) weeks of the semester or final three (3) weeks of the term, and, in the opinion of the instructor, have not met the course learning objectives.*

Leave of Absence

It is expected that students will fulfill the requirements for the degree or certificate by registering for successive sessions. However, if emergency medical, family, military active duty or other extenuating circumstances require students to interrupt their studies for a short period of time, a leave of absence may be granted at the discretion of an advising professional, not to exceed 180 days in a twelve month period. Each Leave of Absence will be evaluated on a case by case basis. Documentation supporting the request for a Leave of Absence is required. A Leave of Absence will not be granted once a student begins a term/semester. Should a student need to leave after they have started the term/semester, the student will be treated as a withdrawal.

The Leave of Absence application form may be obtained from the Student Services office. Required documents must be submitted by determined deadline for the Leave of Absence to be processed. The student must meet with an advising professional to discuss the request for a Leave of Absence. Students who are approved for a Leave of Absence will be considered enrolled at The College until the end of the approved Leave of Absence date. Taking a Leave of Absence will alter a student's date of program completion. Students are responsible for meeting all deadlines for tuition payments and student financial

assistance applications. If a student does not return to The College at the end of the Leave of Absence, the student will be officially withdrawn with the student's last date of attendance.

Involuntary Leaves of Absence

The Mental Health Counselor, the Director of the Counseling Center, and/or the Director of Campus Security may determine that a Leave of Absence may be granted based on medical, psychological, or safety factors if it would be in the best interests of the student or The College. This action may be taken if, in the opinion of either a counseling professional or the Vice President of Student Services and Retention, a student exhibits behavior which creates, continues, or presents a risk of harm to the physical or mental health of the student concerned or others. This leave will be processed through the Student Services Office. It is subject only to a written appeal to the Academic Progress and Student Life Committee within five business days after written notification. Any appeal must include adequate documentation that these circumstances will no longer interfere with the student's pursuit of academic progress. Counseling Center professional staff and/or the Vice President of Student Services and Retention must consent to the readmission of any student who is granted or placed on a medical or psychological leave of absence, in addition to the student complying with any other conditions for readmission that may have been imposed. Students will be required to submit documentation from a psychologist or mental health practitioner supporting the student's request to return to The College.

Matriculation

A person is considered matriculated when the student has met all of the following:

1. Student registered in courses at CW for their selected program of study.
2. Has met the Admissions criteria for acceptance (see Admissions section in catalog).
3. Has completed The College's assessment process.
4. Has been accepted as a degree or certificate candidate.

Non-Matriculation

Students may enroll as ICC (Individual Credit Course) non-matriculated students. Such students:

1. Are not eligible for federal or state financial aid.
2. Are not eligible to receive career placement assistance from the Office of Career Services. An exception will be made for any non-matriculated students who have registered for courses through the Workforce Investment Act (WIA). WIA enrolled students will have access to career placement assistance for six months immediately following the successful completion of their coursework. Once this six month period has elapsed WIA students will no longer be eligible to receive any further career placement assistance.
3. Have access to The Learning Center during the time they are enrolled in coursework at The College of Westchester. However, non-matriculated students are limited to a maximum of ten (10) hours of course specific, direct tutoring from The Learning Center personnel for each course they are registered for. Unused tutoring hours from one course are not eligible to be rolled over into any other courses that a non-matriculated student may be registered for.
4. May accumulate no more than fifteen (15) credits without approval from the Vice President of Student Services and Retention. WIA programs with more than 15 credits are the exception.
5. May apply for matriculation by following standard protocol and meeting the cumulative GPA requirement of 2.0. Accordingly, if a non-matriculated student wants to enroll in a degree or certificate program, the student must complete the admissions process in order to be accepted and proceed through all normal admissions steps.

Move from Matriculation to Non-Matriculation

Students who failed to make satisfactory progress toward a degree or certificate and had their matriculated status terminated may pursue courses as a non-matriculated student, with no financial aid benefit, and with approval from the Vice President of Student Services and Retention. If such students achieve a cumulative GPA of 2.0, matriculation may be reinstated if all other standards of progress are met.

Military Leave

Active-duty and reserve military students who are deployed overseas and provide appropriate documentation can return without academic or financial penalty. Active-duty students who are deployed and reserve military students who are involuntarily activated for military service will receive WD grades which carry no academic penalty. In addition, if a student is deployed we will issue an administrative credit to cover the balance for the term. Contact directly cwveterans@cw.edu for assistance.

Military dependents (who are active students) who must leave college because their families are moving due to redeployment relocation and provide appropriate documentation may be treated in the same manner as military students and can receive WD grades which carry no academic penalty. In addition, we will issue an administrative credit to cover the balance for the term. Contact directly cwveterans@cw.edu for assistance.

Test-Outs for Exemptions from Courses

Students may be exempt from a course based on demonstrated competence. Students may take proficiency exams in the subject areas of English Composition I and II, Basics of Mathematics, College Mathematics, College Algebra, Digital Literacy in the Workplace, Financial Accounting I and II, Office Applications (Word, PowerPoint, and Excel), Medical Terminology, and Healthcare Law & Ethics. Students may be exempt from Transformative Learning if they have successfully completed a freshman seminar course from another college (credit bearing or not) or have earned a college degree or have obtained 15 or more college credits with a minimum overall GPA of 3.0. Appropriate electives in these areas would replace these courses to fulfill graduation credit requirements. Test-outs must be arranged through the Testing Center by appointment.

Transfer Credit Policy

Students who wish to transfer in credits to The College from another institution must submit an official transcript to the Registrar for official evaluation. Courses completed at accredited institutions of higher education recognized by Council for Higher Education Accreditation (CHEA) and recorded on official transcripts may be awarded credit under the following conditions:

1. A maximum of 21-30 credits towards a Certificate program, a maximum of 42 credits towards an Associate Degree and a maximum of 90 credits towards a Bachelor Degree from all combined accredited two-year and four-year institutions and training programs may be granted based on the applicability to the chosen program of study. All transcripts and other forms of training documentation must be formally evaluated by the Office of the Registrar to determine the specific credits that are applicable based upon the program for which the student registers.
2. A grade of C (2.0) or above is required for each course accepted in transfer.
3. Courses that are equivalent in credit/contact hours may be accepted in transfer.
4. Courses that are equivalent in content to required courses in the student's academic program may be accepted.
5. A combination of courses and credits can be considered equivalent to one course at The College of Westchester.
6. Technology courses that have been completed within the last three years are acceptable for transfer. Any technology course that was completed more than three years prior to transfer requires a review of the course description and/or course syllabus.

7. If a student has successfully transferred in English Composition and/or a College Mathematics course and the official transcript has been received by the Registrar, the student will not be required to take Basics of Communication and/or Basics of Mathematics.
8. Foreign transcripts must be in English. Foreign students who do not pass the course placement test must successfully pass Basics of Communication and Basics of Mathematics before being eligible to receive transfer credit for upper level English and Mathematics courses.
9. Students with an earned Associate Degree or its equivalent from The College of Westchester* or other accredited higher education institution recognized by the Council for Higher Education (CHEA) may be accepted as 2 Year transfer students into a Bachelor's Degree program with a junior level status in most cases. These applicants must meet all admissions requirements published in The College catalog and have a minimum grade point average of 2.5** from their prior college(s). Other program competencies may be satisfied through prior course credits earned, official prior learning assessment or through credits earned while pursuing required bachelor's coursework. (See Program Competency Requirements).
10. The College of Westchester will limit academic residency to twenty-five percent or less of the degree credit requirement for all degrees for active-duty service members and their adult family members (spouses and college-age children). In addition, there are no "final year" or "final semester" residency requirements for active-duty service members and their family members. Academic residency can be completed at any time while active-duty service members and their family members are enrolled. Reservist and National Guardsmen on active-duty are covered in the same manner.

The evaluation of transcripts for the purpose of determining transferable credit is done on an individual course basis by the Registrar. All courses accepted in transfer will receive a grade of "TR" and will not count towards a student's grade point average.

Official transcripts should be received prior to the session in which the student plans to start in order to allow sufficient time for evaluation. If the official transcript is required for a pre-requisite, the student will not be allowed to take a higher level course without the official transcript. Official transcripts received after the third term or second semester will not be accepted. Exceptions may be granted by the Registrar.

A student may bring a grade report or unofficial record for a preliminary evaluation while waiting for the official record to arrive at CW. The student should request that an official transcript be mailed to: Transfer Credits, Office of Admissions, The College of Westchester, 325 Central Avenue, White Plains, New York 10606.

*Graduates of the Medical Assistant Management (MAM) and the Health Information Management (HIM) programs at The College of Westchester might not meet complete full 2 year transfer of credit into the Business Administration, Business Administration Management, or Business Administration, Accounting baccalaureate program.

**The cumulative grade point average will be calculated as an average of all the grade point averages earned from other colleges.

Transfer Agreements/Articulations

Students who wish to continue their education after attendance at CW are able to transfer credits to other institutions based on that institution's transfer policy. Students should consult with the Registrar with questions regarding these transfer agreements with other schools.

CW has also entered into formal Articulation Agreements with several institutions of higher learning through which students enter CW with Junior status. A current list of such institutions may be found at cw.edu/articulations. This list is updated periodically. Each individual agreement specifies the number of total credits that will be accepted, along with any competencies that need to be fulfilled in order to earn a CW degree. These agreements are housed in the Office of the Registrar.

College Policies and Procedures

Devices should have a dependable internet connection and be fully functional, free of malware, and have a current operating system, in order to access and effectively utilize these required programs.

Note that some campus-based Academic Programs utilize additional hardware and software, made accessible on campus in our computer labs.

ONLINE and EVENING PROGRAM students must have regular access to a functional device that can run browser-based applications via the Internet. This is also strongly recommended for students in Day Term Programs. There are a limited number of computers available on Campus for students who require them.

COPYRIGHT INFRINGEMENT

"As a general matter, copyright infringement occurs when a copyrighted work is reproduced, distributed, performed, publicly displayed, or made into a derivative work without the permission of the copyright owner." (<http://www.copyright.gov/help/faq/faq-definitions.html>)

Copyright infringement includes downloading and reproducing CDs or DVDs for commercial distribution, removing notice of copyright or distribution of any article with copyright notice removed. There are federal laws that protect copyrighted materials from unauthorized use or distribution. Federal penalties associated with copyright infringements may be either civil or criminal. Under a civil lawsuit the copyright owner may file (1) to recover actual damages and additional profits, costs and attorney fees or (2) statutory damages for all infringements, which can be as high as \$150,000. Under the "No Electronic Theft (NET) Act," criminal penalties for unauthorized software duplication can result in being fined up to \$250,000 or up to five years in prison even when there is no monetary gain. Sharing copyrighted materials without a license (e.g., P2P file sharing which is often automatically shared) is against the law and also prohibited under this policy and subject to discipline. Copyright abuse can subject both the user and The College to legal sanctions. Federal law requires The College to take action when it is notified that someone on its network is distributing copyrighted materials. The College will not protect any individual users, faculty, staff or students who distribute copyrighted material without license. Additionally, repeat infringements of copyright by a user can result in termination of the user's access to College systems and networks.

Authorized representatives of The College may monitor the use of the electronic communication systems to ensure that use is consistent with educational needs; they may also override all passwords or security codes when deemed necessary.

- The College may from time to time, as it deems necessary in the ordinary course of business, monitor students' use of the electronic communication systems.
- No users of The College's electronic communications systems shall use such systems to violate or infringe upon the copyright of any third party.
- The equipment, services, and technology provided to access the Internet or other electronic communication devices remain at all times the property of The College. The unauthorized use, installation, copying, or distribution of copyrighted, trademarked, or patented material on the Internet is expressly prohibited.

All electronic communications are part of The College's records and, as such, may be disclosed without The College's permission. Therefore, students should not assume that any communication is "private," even if the student designates the message as such.

Students are responsible for safeguarding their log-on and other passwords or security codes. They may not share these codes with any third party or with another student. The College of Westchester makes no warranties of any kind, whether expressed or implied, for the information systems and communications services it is providing, and will not be responsible for any damages users suffer including loss of data.

All parties who use The College's electronic communication systems are deemed to have accepted this policy and are required to comply with it. A daily crime log is maintained by the Director of Security. Potential criminal actions and suspicious activity or other emergencies should be reported in person to the front Security Desk, the fourth floor Concierge Desk, or the Director of Security as soon as possible. When a report of an urgent situation is received, the Provost & Vice President of Academic Affairs, or the Director of Security will, if appropriate, contact White Plains Fire, Emergency Medical, or Police personnel. If a reported situation is less severe, the Vice President of Student Success and Retention will dispatch a designated employee or employees to lend assistance and conduct the necessary follow-up. This procedure has been established in accordance with the Student Right-to-Know and Campus Security Act of 1992.

Anti-Drug and Alcohol Policy

The College of Westchester has a no tolerance policy regarding the use of drugs and alcohol or being under the influence of drugs or alcohol on its property or surrounding property. The unlawful

manufacture, distribution, dispensation, possession, or use of alcohol or an illegal drug by a student or employee on property at The College of Westchester is strictly prohibited. New York and Federal law prohibits the unlawful use, manufacture, possession, control, sale and dispensation of any illegal narcotic or dangerous drugs. Both State and Federal laws carry penalties for violations, including monetary fines and/or imprisonment. Marijuana – including “medical marijuana” – is illegal under federal law and may not be used on the College’s property or surrounding property. All students and employees are prohibited from being under the influence of marijuana while at The College. The health risks associated with the use of illegal drugs and the abuse of alcohol include physical and mental impairment, emotional and psychological deterioration, fine and gross motor degeneration and death. In addition to the health risks to the abuser of illegal drugs and alcohol are the risks to co-workers, students and the public. The College of Westchester’s Counseling Center can provide referral to students with problems related to alcohol and drug use. Information about substance abuse and treatment programs is available in the Counseling Center which has procedures to assure confidentiality. Individuals whose performance is impaired as a result of the use or abuse of drugs or alcohol, who illegally use or abuse drugs or alcohol on campus or at College events, or who have been convicted of violating any criminal drug statute while on The College of Westchester property or at College events will be sanctioned. The sanctions can include required completion of an appropriate rehabilitation program, suspension, dismissal, termination of employment, and referral for prosecution by law enforcement authorities. As a condition of enrollment and employment, each student, faculty member and staff member will abide by the terms of this policy and will notify the Director of Administration no later than five days after any conviction for a criminal drug offense committed on The College of Westchester property. Failure to comply with these conditions will constitute unsatisfactory conduct and will lead to appropriate sanctions.

Description of Drug or Alcohol Abuse Education Programs

A number of counseling and treatment options are available to students of The College of Westchester. A list of these agencies is available in the Office of Student Services and is available to all students and employees. Students and employees are encouraged to seek counseling and/or treatment in dealing with personal issues of substance abuse relating to themselves, their family, or their friends.

Conviction for Possession or Sale of Drugs

A federal or state drug conviction can disqualify a student for Federal Student Aid (FSA) funds. Convictions count if they were for an offense that occurred during a period of enrollment for which a student was receiving Title IV aid. In addition, a conviction that was reversed, set aside, or removed from a student’s record does not count, nor does one received when they were a juvenile, unless tried as an adult.

The chart that follows illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether a student had previous offenses. A conviction for sale of drugs includes convictions for conspiring to sell drugs.

	<u>Possession of illegal drugs</u>	<u>Sale of illegal drugs</u>
1st offense	1 year from date of conviction	2 years of conviction
2nd offense	2 years from date of conviction	Indefinite period
3+ offenses	Indefinite period	Indefinite period

If a student is convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period. A student regains eligibility the day after the period of ineligibility ends or when they successfully complete a qualified drug rehabilitation program. Further drug convictions will make him or her ineligible again. Students denied eligibility for an indefinite period can regain it only after successfully completing a rehabilitation program (as described below), or if a conviction is reversed, set aside, or removed from the student’s record so that fewer than

two convictions for sale or three convictions for possession remain on the record. In these cases, the nature and dates of the remaining convictions will determine when the student regains eligibility. It is the student's responsibility to certify to the College that they have successfully completed the rehabilitation program.

Standards for a qualified drug rehabilitation program

A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:

- Be qualified to receive funds directly or indirectly from a federal, state, or local government program.
- Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.
- Be administered or recognized by a federal, state, or local government agency or court.
- Be administered or recognized by a federally or state-licensed hospital, health clinic, or medical doctor.

EMERGENCY PROCEDURES

Emergency Notification and Evacuation Procedures

The College of Westchester provides emergency alert notifications through the CW Everywhere mobile phone app. The College will immediately notify the campus community through the app upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. All students should download and log into the CW Everywhere mobile app in order to be able to receive these notifications.

In the case of an emergency, students, faculty, and staff will receive an immediate notification through the CW Everywhere app. Unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to or otherwise mitigate the emergency, this notification will be sent. The College also has a campus public address system through which emergency announcements will be made as appropriate in the event of an emergency.

The President, Director of Security, and Emergency Management Team are responsible for identifying and managing all emergency situations, including: notification to the community, alerting local authorities, and overseeing evacuation and other emergency procedures. The fire signal will also be utilized to alert all students, faculty, staff and visitors to exit the building without delay. The emergency notification system will be tested on an annual basis under the supervision of the Facilities Manager.

Emergency Preparedness Training

All students will receive emergency preparedness training during their first term in their Transformative Learning Course. This training will go over The College's Lockdown, Lock Out, Shelter In Place and Evacuation procedures. In addition, Lockdown and Fire Drills are conducted annually.

Fire Drills

Each year the College runs fire drills in all sessions, Day and Evening, to prepare staff and students with the procedures for evacuating the building. Students should exit their classrooms with their valuables (e.g. purses) and proceed to the nearest stairwell in a quick but orderly fashion. The faculty should turn off the lights in the classroom, and staff should close their office doors and proceed to the nearest exit. No one should take the elevator. Once outside, there should be a path left open in the parking lot to allow emergency vehicles to enter, if necessary. Once everyone is safely outside, there will be an "all clear signal" for everyone to return to the building.

Fire Emergency Procedures

1. Fire Signal - Bells and strobes.
2. When the Fire Signal is heard, all students, instructors, office personnel and visitors will leave the building without delay. Move rapidly, but do not run. A fire exit floor plan is posted in each classroom.
3. Instructors will be responsible for directing students to their designated fire exits.
4. Students nearest the windows will make sure certain windows are closed upon leaving the room.
5. The last person to leave a room will close the door.
6. Do not stop to take coats or books, but do not leave purses or personal items of value behind.
7. Move as rapidly as possible to your designated fire exit.
8. The first person to reach the fire exit door will open and hold the door open.
9. Do not stop directly outside the fire exit. Move outside and away from the fire exit.
10. If any exit is blocked or jammed, move in an orderly manner to next available exit without delay.
11. If disabled and unable to evacuate, stay calm and take necessary steps to protect yourself from any harm. If there is a working telephone, dial 911 and advise operator of current location or where you will be moving. It is recommended that you move to the closest stairwell and wait for emergency personnel, request persons exiting by way of stairway to notify the Fire Department of your location.
12. Once outside, move away from the building.
13. A member of the college faculty or administrative staff will give the order to return to class.

Lockdown Drills

Each year The College runs lockdown drills in all sessions, Day and Evening, to prepare staff and students with the procedures to follow in a lockdown situation. Students should lock classroom or office doors, turn out the lights, close blinds or cover any windows if possible, stay out of sights of doors and windows, out of sight and remain silent. If a student is in an open area during the drill, they should try to move quickly to an office or classroom where they can close the door, or stay in place and take cover, if available, to do your best to remain unseen. All students and employees should remain in lockdown until the "all-clear" is called and lockdown is lifted.

SNOW CLOSINGS OR DELAYED OPENINGS

While The College building may close due to inclement weather, or other non-weather related cause, classes will not be cancelled. Students must log onto Moodle and submit posted assignments in order to receive attendance credit. Students must download and log into the CW Everywhere mobile app, so they can receive notifications regarding inclement weather. Student may also dial the College at 914-948-4442, ext. 766 (SNO) for the weather advisory recording. In addition, weather information will be announced on the following websites and cable television stations:

1. The right to inspect and review the student's education records within 45 days of the day The College receives a request for access. A student should submit to the Registrar a written request that identifies the records the student wishes to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask The College to amend a record should write The College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If The College decides not to amend the record as requested, the college will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
3. The right to provide written consent before The College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent. 4. A student may revoke consent at any time. If the student wishes to make any changes to their consent for release they will need to complete and file a new form. The new authorization on the new form will supersede all prior authorizations for release of any information. The updated release will be processed by the Registrar's Office. If a student has any questions they may call the Student Services Office at (914) 831-0433.
5. An educational agency or institution may redisclose personally identifiable information from an education record only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the parent or eligible student. Notice to the parents or students is required before redisclosing personally identifiable information on behalf of the educational agency in response to judicial order or subpoena.
6. The right to file a complaint with the U.S. Department of Education concerning alleged failures by The College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W. Washington, DC 20202-5901.

MAINTENANCE OF PUBLIC ORDER

New York State Education Law, Sections 6430-6435 requires all colleges and universities to adopt regulations for the "maintenance of public order on college campuses and other college property used for educational purposes and provide a program of enforcement thereof." The law requires each college to file such rules and regulations with the New York State Education Department.

New York State Education Law Sections 6430-6435

Such rules and regulations shall govern the conduct of students, faculty, and other staff as well as visitors and other licensees and invitees on such campuses and property. Academic freedom is essential to a college community. Freedom of speech and freedom of assembly are essential to academic freedom. Every member of the academic community should be free to pursue full involvement in the educational process of The College without interference from others. All members of The College community should be able to express their views by words and actions and to express by words and actions their opposition to the views and opinions of others. In order to preserve these rights all members of The College community have a responsibility to conduct themselves so that such rights may be exercised without interfering with the rights of others and without fear of violence or injury or interference.

The following rules and regulations are adopted to maintain public order on The College campus and other College property:

Title IX Policy Prohibiting Sexual Harassment and Sexual Misconduct

As required by Title IX and Title VII and other federal and state laws, The College of Westchester does not discriminate against students or employees on the basis of sex/gender in its educational programs and activities. The College of Westchester further prohibits students, employees and third parties from engaging in sexual misconduct, including sexual harassment, sexual assault, sexual exploitation, domestic violence, dating violence and stalking as those terms are defined in the policies linked below. Any attempt to engage in prohibited conduct may itself constitute a violation of this policy. Any actions knowingly taken to aid, facilitate or encourage another to engage in prohibited conduct and any actions taken for the purpose of interfering in the investigation of an allegation of prohibited conduct shall constitute a violation of this policy. Anyone found to have violated this policy will be subject to disciplinary action as set forth in the procedures linked below. The College is committed to provide those who feel that they have been subjected to conduct in violation of this policy with mechanisms for seeking redress and resources for support. Accordingly, the College of Westchester prohibits retaliation against any

person for reporting of a violation of this policy or for participating in any investigation or proceedings related to an alleged violation.

Title IX Grievance Policy

Title IX of the Educational Amendments of 1972 prohibits any person in the United States from being discriminated against on the basis of sex in seeking access to any educational program or activity receiving federal financial assistance. The U.S. Department of Education, which enforces Title IX, has long defined the meaning of Title IX's prohibition on sex discrimination broadly to include various forms of sexual harassment and sexual violence that interfere with a student's ability to equally access our educational programs and opportunities.

On May 19, 2020, the U.S. Department of Education issued a Final Rule under Title IX of the Education Amendments of 1972 that:

- Defines the meaning of "sexual harassment" (including forms of sex-based violence)
- Addresses how this institution must respond to reports of misconduct falling within that definition of sexual harassment, and
- Mandates a grievance process that this institution must follow to comply with the law in these specific covered cases before issuing a disciplinary sanction against a person accused of sexual harassment.

In recent years, "Title IX" cases have become a short-hand for any campus disciplinary process involving sex discrimination, including those arising from sexual harassment and sexual assault. But under the Final Rule, The College of Westchester must narrow both the geographic scope of its authority to act under Title IX and the types of "sexual harassment" that it must subject to its Title IX investigation and adjudication process. Only incidents falling within the Final Rule's definition of sexual harassment will be investigated and, if appropriate, brought to a live hearing through the Title IX Grievance Policy.

The Title IX Grievance policy can be found here:

Policy Against Sexual Harassment and Sexual Misconduct (that falls outside of the scope of the Title IX Final Rule)

The College of Westchester remains committed to addressing any violations of its policies, even those not meeting the narrow standards defined under the Title IX Final Rule. Specifically, our campus has a Code of Conduct that defines certain behavior as a violation of campus policy and a separate Policy Against Sexual Harassment and Sexual Misconduct that addresses the types of sex-based offenses constituting a violation of campus policy, and the procedures for investigating and adjudicating those sex-based offenses.

To the extent that alleged misconduct falls outside the Title IX Grievance Policy, or misconduct falling outside the Title IX Grievance Policy is discovered in the course of investigating covered Title IX misconduct, the institution retains authority to investigate and adjudicate the allegations under the policies and procedures defined within the Policy Against Sexual Misconduct and Sexual Harassment Not Covered by Title IX and Code of Conduct, as applicable, through a separate grievance proceeding.

The Policy Against Sexual Harassment and Sexual Misconduct (that falls outside of the scope of the Title IX Final Rule) can be found here:

Title IX Coordinators

Inquiries regarding the application of these Policies should be referred to the Title IX Coordinators, Janna Gullery, (914-831-0401, jgullery@cw.edu) and Delphine Burton, (914-831-0358, dburton@cw.edu) or the Deputy Title IX Coordinator, Anna Bravo (914-831-0353, abravo@cw.edu), 325 Central Avenue, White Plains, NY 10606. In addition to coordinating compliance with Title IX, the Title IX Coordinators are responsible for coordinating the College of Westchester's efforts to comply with other federal and state laws governing sexual harassment and sexual misconduct, overseeing the College's responses to reports of alleged violations, and identifying and addressing any pattern or systemic problems. The Deputy Title IX Coordinator will oversee compliance with respect to employees and will provide updates to the Title IX Coordinator. Students and employees who file a grievance are hereby assured that no adverse action will be taken against them for filing a complaint.

Nondiscrimination/Affirmative Action/Equal Opportunity/Section 504 Policy

The College of Westchester is an equal opportunity employer and conforms to the regulations and policies of Affirmative Action, and Section 504 of the Rehabilitation Act of 1973. The College of Westchester's nondiscrimination policy prohibits discrimination in all areas of its operation. The College of Westchester does not unlawfully discriminate against any person on the basis of race, color, religion, sex, national origin, age, handicap, veteran status or sexual orientation. This policy covers all programs, services, policies and procedures of The College of Westchester, including admission to education programs and employment. SOCIAL MEDIA POLICY

The College of Westchester maintains a number of CW social media websites located on Facebook, Twitter, and LinkedIn, to name a few. In recognition of these activities, below are guidelines that have been developed for students.

- Focus on ideas rather than the people who hold them. If you have a strong opinion on a topic, it is OK to express why you hold that opinion without attacking those who disagree. Please be gracious with differing opinions.

DISCIPLINE HEARING PROCEDURES

The College of Westchester's discipline policy is intended to support the standards of The College with regard to the conduct of students and the academic honor code. A student possessing drugs, alcohol or weapons on College property, or who is accused of any other major offense, may be immediately dismissed from The College. The College reserves the right to place a student on an emergency suspension when the continued presence of such student could constitute a danger to the safety of person or property on the premises of The College. In the event of such a suspension, the student, upon written request, shall have the right to a hearing before the Discipline Committee within five business days after said request.

Students accused of a breach of discipline will be referred to the Discipline Committee, composed of three faculty members who are not involved in the issue at hand. Prior to the Discipline Committee Hearing, the student will be notified of the date, time, and place of the hearing by overnight mail and telephone. If the accused student fails to appear at the hearing, the committee will proceed as scheduled and make a decision based upon the facts presented. Based on the judgment of The College, discipline hearings may be held remotely via conference call, video, or other alternative formats.

At least three days prior to the Discipline Committee hearing, the aggrieved person is required to submit a written statement describing the incident to the Vice President of Student Services and Retention. This statement will be read aloud at the hearing by the committee members and witnesses may be called to testify. The accused student will be notified by overnight mail and telephone of the committee's decision, 24 to 48 hours after the hearing. If the accused student does not fulfill the penalty imposed by the committee, the student will be suspended or dismissed.

The accused student may appeal the committee's decision to the Provost & Vice President of Academic Affairs. The appeal must be submitted, in writing, within three days of the committee's decision and must include a rationale for seeking the appeal. The punishment may be reduced, but will not be made more severe.

The College must, upon written request, disclose to the alleged victim of a crime of violence, or non-forcible sex offense, the results of any disciplinary hearing conducted by the institution against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the institution must provide the results of the disciplinary hearing to the victim's next of kin, if so requested.

Student Grievance Policies and Procedures

Effective Date December 1, 2022

The purpose of this grievance procedure is to secure an equitable and timely resolution to grievances or complaints students may have with The College of Westchester. A student who believes that they have been aggrieved by institutional error, misjudgment or inequitable application of college policies, procedures or services should first seek an informal inquiry and resolution. In many cases, disputes can be quickly resolved by contacting the applicable department supervisor to discuss the grievance. If, after a review of the matter, the student still believes that the issue has not been resolved, a formal written grievance may be submitted to Maria Gangi, Vice President of Student Services at mgangi@cw.edu.

The College will investigate the student complaint which may include meetings with the student and any involved parties to arrive at a final determination and actions taken. A decision will typically be made within 15 days of the committee's formation.

If the student still believes that they have been aggrieved by The College, the student may appeal the decision with Dr. Warren Rosenberg, Provost & Vice President of Academic Affairs at wrosenberg@cw.edu. After reviewing the written complaint, associated facts and final determination, Dr. Rosenberg will grant or deny the appeal within 15 days.

Online Student Complaint Process

Students enrolled in the Online courses at The College of Westchester including those who reside outside of New York State (except California), should first attempt to resolve their complaint with the College following the process outlined above, allowing for the internal process of review, investigation and resolution to take place.

If the complaint remains unresolved after all institutional procedures have been exhausted, complaints may be directed to the New York SARA State Portal Entity. Students have two years from the date of the incident about which the complaint is made to appeal to the SARA State Portal Entity. This may include allegations of dishonest or fraudulent activity, including the provision of false or misleading information. Complaints regarding grade appeals or student conduct violations are exclusively subject to internal College procedures and will not be addressed by the SARA State Portal Entity.
