Controllers can be signed out of the bookstore by qualifying students and must be returned. Users must be mindful of volume in the shared space of the Student Center.

CLUB FINANCIAL POLICIES

In addition to club finance policies outlined in the Club Policies section, the following policies are also in place for club-sponsored events.

Club Funding Allocation Request Guidelines

The Student Government Association of The College of Westchester is charged with guiding student life including clubs. As such, the SGA is responsible for the allocation of funds, when available, to individual clubs for the purpose of conducting student-centered programming. In order to solicit funds, a club must submit an event form with a budget request included. This form shall be reviewed by the SGA and a vote will determine whether the request is approved or denied.

Club requests for funding will be assessed based on a number of criteria. Requests should provide detailed information on how funding will be used, including a list of items needed, cost per unit and number of units. The club should also be in compliance with CW and SGA standards, be a recognized club with an official club moderator and have a valid club constitution on file with the Office of Student Life. Finally, the event should directly support the mission of the club and demonstrate a goal of building community. Funding allocation requests may not be used for fundraising purposes. If approved, funding allocations can only be used for purposes listed in this request. Any misused funds will be the club's responsibility to repay and may severely decrease your club's ability to seek event funding in the future. Funding allocation requests will be considered on a rolling basis and allocations will be made on a first come, first serve basis as funding permits. Allocations are not guaranteed and the SGA reserves the right to fund any portion of the amount requested, or none. Funding allocation requests must be submitted according to the event request timelines listed previously in this form. Requests received less than 30 days prior to the event date will not be considered.

If funds are allocated through this process, allocated funds can only be used for the purpose of the club event as detailed in the original allocation request. If the funds will be used to purchase gift cards for participant contest/game winners, please email studentactivities@cw.edu or sga@cw.edu the day following the event with the full name(s) of the recipient(s) so that we can process. For any other purchases, please submit the original receipts with a completed reimbursement request within three (3) business days following the event to the Dean of Student Life in the Student Services suite on the 4th floor. For all of the above, the requests need to come directly from the moderator (as opposed to student members). Under no circumstances can the funds be used to distribute cash, alcohol or other

prohibited materials. Funds will only be reimbursed when provided with original receipts that adhere to the above policies and when total reimbursement requested does not exceed the total amount allocated.

Fundraising

Clubs may engage in fundraising efforts for the sole purpose of the following:

1. Generating funds for later use by the club for approved purposes or;
2. Donating proceeds to a registered charity or non-profit organization with 501c3 status.

Fundraisers must be preapproved through the Office of Student Life. Clubs may collect funds via cash only and may not accept monies through check, credit card, venmo, cashapp, Zelle, or any or digital monetary transfer platform.

Monies must be collected and safeguarded by the Club Moderator who must immediately coordinate for deposit with the Office of Student Life and/or the Business Office.

Use of Club Funds

Independent of funds allocated through the SGA request process, clubs may have access to club-specific monies due to prior or ongoing fundraising efforts. In order to access said funds, clubs must complete the following process:

1. The club moderator must verify available club funding by emailing JMuller@cw.edu;
2. The club moderator or student officer must send a written request to use funding, including the total amount requested and purpose of request, to studentactivities@cw.edu or submit in writing to the Office of Student Life. Only expenses with prior approval will be considered for reimbursement.

Food Sale and Distribution

The sale of food or baked items is permitted when the following criteria is met:

1. The event is approved through the Office of Student Life;
2. A cashbox must be requested through the Office of Student Life and used to collect and store monies during the event;
3. The monies must be collected and safeguarded by the Club Moderator who must immediately coordinate for deposit with the Office of Student Life and/or the Business Office;
4. The sale or distribution of food is limited to purchased, pre-packaged food only. Clubs may not sell or distribute food they prepared themselves, on-site or from a vendor not previously approved through the event request process.

Sale of Non-Food Items

Rarely, clubs may sponsor events during which the sale of non-food items is permitted for direct profit to the seller. To be permitted, the following criteria must be met:

1. Sellers must be active, matriculated CW students; CW alumni; or current CW employees;
2. The event must be preapproved by the Office of Student Life;
3. All sellers must be identified prior to the event and adhere to all CW policies;

4. Sellers may collect monies in the form of cash or credit/debit card. The use of digital monetary transfer platforms such as venmo, cashapp, or zelle is strictly prohibited;
5. Sales can only occur within the explicit time and location of the approved event;
6. CW will not be liable for lost monies exchanged under permitted activities;
7. Sellers that violate this policy will be immediately removed and may face disciplinary action.

Vendors

Clubs seeking to make purchases for preapproved events or activities should consult with the Office of Student Life to determine suggested vendors for necessary purchases. In many cases, the College can assist with securing vendors who offer bulk pricing, discounts, etc.

In the event that no preferred vendors can provide the goods or services in question, students may consult with the Office of Student Life to verify whether a new vendor can be authorized. Vendors must be able to provide the College with the appropriate tax ID number and W9. In most cases, the vendor must be willing to invoice the College and accept payment upon receipt of invoice and following the provision of goods/services.

Non-Solicitation

The College recognizes that students may have interests in events and organizations outside the College. However, to maintain an orderly environment and prevent interference with academics, no student may solicit another student or employee while on campus or otherwise engaged in class or academic activities. For purposes of this policy, solicitation refers to any activity that poses a reasonable risk of interference with production by calling for an immediate response to another student's oral persuasion to join a certain cause or purchase a type of product or service unless that activity is a pre-approved, permitted activity directly related to an approved, club-sponsored event. It is prohibited to distribute or post advertising material, handbills, or other literature while on campus or otherwise engaged in classroom or academic activities. In addition, students may not distribute literature or printed materials of any kind at any time while on campus or while otherwise engaged in classroom or academic activities that are not related to approved classroom or club-sponsored events or activities.

Trespassing, soliciting or distributing literature by non-students on our premises is prohibited at all times.

Gambling

CW-sponsored clubs, groups or events are prohibited from engaging in gambling or related activities.

The Office of Student Life exclusively promotes CW-sponsored events and activities. Students or employees who wish to promote community events that are not directly sponsored by CW may, upon approval from the appropriate department or individual, share said events with students via classroom announcements, emails to student distribution groups, or personal posts on the CW Everywhere app. However, announcements made directly by the Office of Student Life and its employees will be limited to events directly sponsored by CW.

CW EVERYWHERE APP

All active, recognized clubs are provided with a group board through the CW Everywhere app, referred to as a "club wall." Any credentialed CW student may opt to "join" this group and will be able to post messages or images on the club wall as well as receive notifications about posts on the club wall. Posts on the club wall should be relevant and adhere to all CW policies. Club walls should be monitored by club officers and the club moderator.

If requesting a budget allocation, the club may use the Club Event Budget Allocation Request Form. Otherwise, the request should be made via email to the Dean of Student Life or studentactivities@cw.edu.
2. Once received, the Office of Student Life will evaluate the request and respond to the requesting club within five (5) business days.

Off-Campus Event Guidelines

1. Any event-related purchases must be preapproved. If the club is requesting monies for the event, they must have previously submitted a Club Event Budget Allocation Request Form. If the club is planning to utilize fundraised monies in their club budget, they must also submit a request via email to the Office of Student Life to use said funds and detail the purposes. Under no circumstances will event-related expenses be reimbursed without prior purchase authorization.
2. Club members who plan to attend the event may use their own personal vehicles or public transportation. This should be arranged prior to the event.
3. All club members who plan to attend the event must submit a Liability Release Form at least five (5) days prior to the event. It is the responsibility of the club moderator and offices to collect these forms and submit to the Office of Student Life.
4. For the duration of the event, participants are expected to adhere to all aforementioned guidelines and policies, including those outlined in the CW Student Handbook and Code of Conduct. Violations of said policies could result in disciplinary action.
5. In the event of an emergency, the club moderator and officers should contact a CW representative as soon as possible. If necessary, emergency response services should be notified by dialing 911.
